3. Your responsibilities and liability

WARNING: Any person who can unlock your Apple Device may be able to make transactions using a **hummm90 Mastercard** registered in Apple Pay.

- (a) You agree to protect and keep confidential your Passcode (or any other biometric identifier registered on the Apple Device) and any other information required for you to make Card Transactions using your Digital Wallet, including by using a unique number or pattern for your Passcode that is not obvious and cannot be easily guessed, by memorising your Passcode or carefully disguising it, by never keeping a record of your Passcode with any Apple Device or on your computer and never telling anyone your Passcode, and by taking reasonable precautions when using your **hummm90 Mastercard** in your Digital Wallet. You agree not to allow a fingerprint or a biometric face identifier other than the Additional Cardholder’s fingerprint or face identifier to be registered on your Apple Device.
- (b) You agree to keep your Apple Device safe and secure (including by locking it when not in use or when it is unattended), and to remove any **hummm90 Mastercard** from your Apple Device before disposing of the Apple Device.
- (c) You are liable for losses you incur as a result of the use of a **hummm90 Mastercard** linked to your **hummm90** Account via Apple Pay (including losses caused by unauthorised Card Transactions) unless: (i) any of the circumstances in which you are not liable that are described in the Conditions of Use apply or (ii) applicable law provides otherwise.
- (d) In the sections of the Conditions of Use which deal with your liability in case your **hummm90 Mastercard** is lost or stolen or in case of unauthorised use, each reference to a ‘PIN’ includes a reference to your Passcode and each reference to a lost or stolen card includes a lost or stolen Apple Device (with a Digital Wallet to which a **hummm90 Mastercard** linked to your **hummm90** Account has been registered), with all necessary modification.
- (e) The Conditions of Use require you to contact us immediately if you believe there are errors or if you suspect fraud with your **hummm90 Mastercard**. This includes any fraud associated with your Digital Wallet. If any Apple Device with a Digital Wallet that contains a **hummm90 Mastercard** linked to your **hummm90** Account (other than where your **hummm90 Mastercard** has been fraudulently added to a Digital Wallet on an Apple Device without your knowledge) has been lost or stolen, or if you believe the security of such an Apple Device has been compromised, you are responsible for ensuring this is reported

to us immediately. If this happens, please call us immediately on: **1300 115 533**.

- (f) Any person who can unlock an Apple Device (with a Digital Wallet that contains a **hummm90 Mastercard** linked to your **hummm90 Account**) may be able to make Card Transactions via your **hummm90 Account**. If an Additional Cardholder allows any other person's fingerprint or face identifier to be registered on the Additional Cardholder's Apple Device, or if the Additional Cardholder shares their Passcode with any other person, you are taken to have authorised that person to transact on your **hummm90 Account** using Apple Pay. This means that any Card Transaction using Apple Pay that is initiated by such person using the fingerprint, face identifier or Passcode will be authorised by you and the Conditions of Use dealing with unauthorised Card Transactions will not apply, which could result in significant loss or liability in relation to such Card Transactions.
- (g) If a **hummm90 Mastercard** linked to your **hummm90 Account** is registered to a Digital Wallet (other than where your **hummm90 Mastercard** has been fraudulently added to a Digital Wallet without your knowledge), you are responsible for ensuring that the Additional Cardholder complies with these Terms of Use.
- (e) If you add a **hummm90 Mastercard** to an Apple Device and have other Apple Devices sharing the same Apple account ("Other Devices"), this may permit the **hummm90 Mastercard** to be added to the Other Devices and permit users of the Other Devices to see information about your **hummm90 Mastercard**. Please contact Apple for more information.
